Walt Disney World is the number one family vacation destination in the world. Crowds flock to sunny Florida to soak up the rays and, with luck, a bit of pixie dust. Along with countless others, my family journeyed to this magical world with visions of Mickey and Minnie, a castle with real princesses, and rides that went beyond our imaginations. We waited excitedly for the big day when we would pass through the lands that promised us fantasy, the future, and adventure around every turn. What we found, however, was more of a world the Disney villains might have Imagineered. We encountered tremendous crowds, cranky parents, whining kids, enormous groups of teenagers, and more terrors than any tower could have caused. What we found were the Peak Seasons. **Walt Disney World Peak Seasons: Maximizing your Disney Vacation** will help you to truly understand that although the parks may be at capacity, there is a way to maximize your vacation with little to no stress.
